

10-HOUR OSHA

Tuesday, February 28 & Wednesday, February 29

8:30 A.M. to 3:30 P.M.

**NCBE Construction Training Center
1030 Apollo Way, Santa Rosa**

*Eric Peterson
Mill Creek Safety*

Presented by Eric Peterson, the owner of *Mill Creek Safety*, specializing in construction safety

The OSHA 10-Hour Outreach program is designed to provide participants with basic safety knowledge about common risks on construction jobsites. Each one-hour segment covers information essential to accident prevention and OSHA compliance. Topics covered in this 10-hour course may include:

**Introduction to OSHA
Electrical Safety
Fall Protection
Scaffolds
Ladders and Stairs
Crane Safety**

**Fire Protection
Excavation
Personal Protective Equipment
Confined Space
Hazard Communication
Tool Safety**

This would be a great course for Supervisors, Foremen, Superintendents, Safety Coordinators, Safety Trainers, and Owners/Officers. Did you know that some large General Contractors are requiring subcontractors to have personnel onsite that have a 10-hour OSHA completion card?

Cost \$135 per person
